

WORK EXPECTATIONS PROFILE

REDUCING TURNOVER AND INCREASING PRODUCTIVITY

Have you ever wondered what makes a good company great? It's the people. Committed, productive employees are key to organizational success and a healthy bottom line. The challenge, then, is retaining and developing satisfied, committed employees. The solution is the *Work Expectations Profile*. Why? This engaging, self-directed learning instrument helps your employees understand and manage their work expectations. Research has shown that people who have clearly defined, well-communicated expectations have better attitudes and enjoy greater job satisfaction than people whose expectations go unspoken or unrealized. And companies that employ satisfied, successful people reap the rewards of increased productivity and reduced turnover.

EXPLORE 10 KEY EXPECTATIONS

In a typical employment situation, certain expectations, such as salary, hours, and job duties, are clearly understood by both employer and employee. Other expectations, however, are so intimately linked to an individual's concept of work that they often go unspoken or unacknowledged. The *Work Expectations Profile* helps people explore 10 work expectations that impact today's employment relationships:

- Structure
- Recognition
- Environment
- Teamwork
- Balance
- Diversity
- Autonomy
- Expression
- Stability
- Career Growth

THE EPIC EDGE

delivers online learning

INDIVIDUAL REPORT The *Work Expectations Profile* Individual Report makes it even easier for managers and employees to dialogue about their work expectations. The Gap Analysis provides participants with an at-a-glance look at how important each Work Expectation category is to them and to what degree each is being met. This helps them quickly pinpoint which Work Expectations categories need the most attention.

GROUP REPORT The Group Report provides a group summary of gap analysis information, which supervisors and managers can use to identify likely sources of dissatisfaction within the group. The organization can use the information to better align the organizational culture with the collective expectations of the group. The report is anonymous, so it can be used in a variety of situations without breaching confidentiality.
