FROM THE BLOG: Hiring Millennials? What to Know

Almost everywhere we turn, we see complaints about the Millennial generation. Born between the mid '80s and the late '90s (though the exact time frame is up for some debate), this generation has been analyzed and criticized just as much as Generation X before them. Millennials have been labeled entitled, narcissistic, and sheltered. But are these assumptions actually true? What do we need to know before hiring millennials into the workplace as they settle into their careers?
